

Agreement to Pay for Healthcare Services

WAC 182-502-0160 ("Billing a Client")

This is an agreement between a "client" and a "provider," as defined below. The client agrees to pay the provider for healthcare service(s) that the Health Care Authority (HCA) will not pay. Both parties must sign this Agreement. For the purposes of this Agreement, "services" include but are not limited to healthcare treatment, equipment, supplies, and medications

Client - A recipient of Medicaid or other healthcare benefits through the HCA or a managed care organization (MCO) that contracts with the HCA.

Provider - An institution, agency, business, or person that provides healthcare services to HCA clients and has a signed agreement with the HCA or authorization from an MCO.

This Agreement and WAC 182-502-0160 apply to billing a client for covered and noncovered services as described in WAC 182-501-0050 through WAC 182-501-0070. Providers may not bill any HCA client (including those enrolled with an MCO that contracts with the HCA) for services which the HCA or an MCO that contracts with the HCA may have paid until the provider has completed all requirements for obtaining authorization.

Directions:

- Both the provider and the client must fully complete this form **before** an HCA client receives any service for which this Agreement is required.
- You must complete this form no more than 90 calendar days before the date of the service. If the service is not provided within 90 calendar days, the provider and client must complete and sign a new form.
- **The provider and the client must complete this form only *after* they exhaust all applicable HCA or HCA-contracted MCO processes which are necessary to obtain authorization for the requested service(s). These may include the exception to rule (ETR) process for noncovered services as described in WAC 182-501-0160 or the administrative hearing process, if the client chooses to pursue these processes.**
- Limited English proficient (LEP) clients must be able to understand this form in their primary language. This may include a translated form or interpretation of the form. If the form is interpreted for the client, the interpreter must also sign and date the form. Both the client and the provider must sign a translated form.

Fully complete the table on back of this form. If needed, attach another sheet for additional services. The client, provider, and interpreter (if applicable) must sign and date each additional page.

Important Note from HCA:

- This agreement is void and unenforceable if the provider fails to comply with the requirements of this form and WAC 182-502-0160 or does not satisfy HCA conditions of payment as described in applicable Washington Administrative Code (WAC) and Billing Instructions. The provider must reimburse the client for the full amount paid by the client.
- See WAC 182-502-0160(9) for a list of services that cannot be billed to a client, regardless of a written agreement.
- Keep the original agreement in the client's medical record for 6 years from the date this agreement is signed. Give a copy of this completed, signed agreement to the client.
 - Providers are responsible for ensuring that translation or interpretation of this form and its content is provided to LEP clients.
