

# Dental Screenings on the Mobile Health Clinic

Friday  
April 3

Boys & Girls  
Clubs

Sequim  
9:00-11:30am

Port Angeles  
12:30-3:00pm

**NOHN Family Dentistry** is expanding oral health access in our community by providing dental screenings on the NOHN Mobile Health Clinic.

- **Screenings\*** are open to all **Boys & Girls Club members and include:**
  - Dental exam, oral health instruction, fluoride (optional), and a free dental kit
  - An oral health assessment with recommendations for treatment if needed
- **We accept most insurances**, including Apple Health (Medicaid) and Delta Dental. We offer a sliding-fee scale for uninsured patients. If you do not qualify for a sliding-fee discount, or choose to not apply, you will be billed for services.
- **To register**, a parent/guardian must sign the screening consent form and return it to a B&GC staff member or email it to [MHC@nohn-pa.org](mailto:MHC@nohn-pa.org).
- **Questions?** Email [MHC@nohn-pa.org](mailto:MHC@nohn-pa.org) or call (360) 452-7891 x3011.

\* It is not treatment, just an exam to see if further treatment is needed. If further treatment is recommended, NOHN can help you make an appointment at our dental clinic in Port Angeles.
