Patient Demographic Questionnaire

You may wonder why we need this information. North Olympic Healthcare Network is a **Federally Qualified Health Center (FQHC)**, a special type of community health center. We offer care to everyone, regardless of age, sex, ethnicity, or whether a patient has insurance or can afford to pay.

Your answers on this form help us:

- Understand our patients' emotional, financial and other needs
- Identify who may benefit from assistance
- Provide high-quality, personalized care
- Fulfill our mission as a community health center
- Meet our reporting requirements as an FQHC

Your Answers Are Secure

We keep your answers private and secure. We only report them in a way that does not identify individuals.

How to fill out the PDQ

Please read each question carefully and answer as best you can.

If you are filling out the form on behalf of another person (spouse, child, etc.):

- Please complete the **General Information** and **Demographic Information** sections based on the patient's information.
- Please complete the **Housing/Income** section based on the patient's household information.

Reviewing the PDQ Each Year

Once each year we will ask you to review the information on this form.

If there are no changes, please initial and date in the space at the bottom of the form.

If you need to make changes, please put a line through the previous answer and fill in the check box of the new, corrected answer. Then initial and date in the space at the bottom of the form.

Thank you for choosing North Olympic Healthcare Network for your healthcare needs!

CONSENT FOR TREATMENT OF A MINOR CHILD

At North Olympic Healthcare Network (NOHN), we require the consent of a parent or legal guardian to provide most types of routine care for patients under the age of 18. Having prior authorization in place allows us to deliver medical care to minors under the care of proxy decision maker if you, as the parent or legal guardian, cannot be present to provide consent. Please carefully review and complete this form if you would like us to care for your child when the child is brought in by another adult you choose.

Minor Patient Information

Minor Patient Name: _____ Date of Birth: _____

This authorization applies when an adult listed below brings the minor patient to a NOHN clinic:

Name of Adult	Relationship to Minor	Phone Number

Authorization to Treat a Minor Patient

I am the parent or legal guardian of the minor patient named above. I give advance authorization and consent for the minor patient receiving routine or emergency health care treatment considered necessary by clinical staff. This includes any care, service, or procedure provided by the clinical staff to diagnose, treat, or maintain physical or mental condition.

☐ By checking this box, I also give advance authorization and consent for the minor patient to receive vaccinations recommended by clinical staff.

I do not authorize the following kinds of medical services (List services you do not wish to authorize without your presence – if none, write “none”):

I, the parent or legal guardian, will communicate with the minor patient and adult listed above about the care provided, diagnostic findings, and treatment plan and I will follow up on any treatment plan and medications.

I, the parent or legal guardian, agree to assume financial responsibility for all expenses of the care provided. I may revoke this authorization at any time by contacting NOHN. I indemnify and hold harmless North Olympic Healthcare Network, and all its officers, agents, employees, directors, insurers, affiliates, from any and all liability for acting in reliance on this authorization.

This authorization will be valid until revoked by notifying North Olympic Healthcare Network (NOHN).

Sliding Fee Program Services

As a Federally Qualified Healthcare Center, North Olympic Healthcare Network can offer discounted services on a sliding fee scale based on your household income and family size.

Patients must apply and qualify to receive discounts on services. Sliding fee scales are included with the application materials. Staff are available to assist patients in determining their eligibility. Approval will be based on a review of your completed application and additional relevant materials.

Once approved, sliding fee discounts will be applied to the NOHN services available to you as a patient, including medical, dental, behavioral health, vision, and pharmacy services.

Sliding fee discounts are adjusted for certain services, and separate conditions and/or fees may apply:

Upper-Level Dental Services

In addition to preventive and restorative dentistry, we offer upper-level services such as root canals, crowns, and bridges.

- Service Fee: The total patient responsibility and nominal fee of \$150.00 per tooth is due prior to scheduling the service.
- Dental Lab Costs: Some upper-level services may incur lab costs to produce materials. Lab fees are due before services are performed. *Sliding fee discounts do not apply to lab costs.*

NOHN Pharmacy:

Patients must inform their healthcare provider that they would like to use this service in order to have all prescriptions switched to NOHN's on-site pharmacy. The sliding fee discount is the Actual Acquisition Cost of the drug plus the Scale Discount, applied to the NOHN administrative fee of \$21.00, or your copay, whichever is less.

Olympic Medical Center:

If a patient chooses to go to Olympic Medical Center (OMC) or one of its Specialty Clinics, the provider will generate an appropriate referral at an appointment. The patient's Sliding Fee Program tier will be noted on the chart. *OMC has a separate financial assistance program and application process, with different guidelines for the sliding scale. Patients may be referred to their financial department for further instruction.*
